COMMUNITY PARTNERSHIPS
engaging service locally and nationwide

- Clinical Partner relationships with institutions across the state and nation expose students to over 1,200 physicians and nurse practitioners who instruct, guide, and mentor future health care leaders.
- The School of Nursing works with six local medical centers that provide expert nurses as loaned faculty to the school.
- Nurse Camp, staffed by faculty and staff volunteers, increases access and opportunities in nursing to minority and low-income high school sophomores and juniors.

CENTERS OF EXCELLENCE
advancing nursing research, interdisciplinary collaboration, and patient care

- Barnard Center for Infant Mental Health & Development
- Center for Excellence in Nursing Education
- Center for Research on Management of Sleep Disturbances
- Center of Excellence in Pain Education
- de Tornyay Center for Healthy Aging
- Health Sciences Interprofessional Clinical Education & Research Center
- Palliative Care Center of Excellence
